The four weeks drowth in this vicinity was broken last Saturday afternoon when a fine rain came, giving a thorough soaking to the soil. It was not a general rain, however, and covered only a limited area east of Somerville and toward the south thru Williston and Moscow vicinities, and did not reach to the county line on the east, and not two miles west of Somerville. It was a thoro season locally, tho, and did a wonderful lot of good here.

The Falcon is requested to state that Rev. R. W. Hooker of Memphis will preach at 11 o'clock June 17, third Sunday, at the Baptist church in this city and at the evening hour at Feathers Chapel, about 8:30 p. m. J. M. Hull, one of this city's oldest and most respected citizens was carried to Memphis the first of the week where he underwent a very serious operation at one of the hospitals. Last word coming from him is that he stood the operation satisfactorily and is doing as well as could be hoped for one so seriously afflicted. Many friends hope for his early and complete recovery.

A SOMERVILLE GIVES EVIDENCE

His Testimony Will Interest Somerville Readers

The value of local evidence is indisputable. It is the kind of evidence we can prove it for ourselves. There has been plenty of such evidence in the Somerville papers lately, and this straightforward testimony has established a confidence in the minds of Somerville people that will not be easily shaken.

Jno. W. Russell, prop. of the Somerville Bottling Works, says: "I was in bad shape with kidney trouble. I couldn't even lift a case of soda water from my auto when delivering to my customers. I was so lame across my back. I had to toss about all night in bed, trying to get ease from the pains and my kidneys didn't act right at all. I used different kidney remedies, but failed to get relief until I began taking Doan's Kidney Pills. This medicine seemed to reach the trouble, and it was no time before two boxes completely cured me."

It was time
to wake up, all right

MY BRAIN was busy.
BUILDING AIR castles.
FOR I wasn't sleepy.
FINALLY I dozed off.
AND PROMPTLY dreamed.
THAT I was awake.
BUT WOKE right up.
AND FOUND I was asleep.
THEN I got thinking.
OF A wonderful formula.
FOR MAKING cigarettes.
I PLANNED it all out.
SO MUCH Turkish tobacco.
BLENDED JUST so with Burley.
AND OTHER Domestic leaf.
AND I knew that blend.
WOULD MAKE a hit.
I COULD just see.
CROWDS OF happy people.
THROWING INTO stores.

TO BUY that cigarette.
THEN LIGHTING UP.
SMACKING THEIR lips.
AND SAYING, "Oh, Boy.
IT'S THE exact copy.
OF THAT "Satisfy" blend."
AND THEN I came to.
AND SAID to myself.
"THIS TIME you're dreaming.
FOR SURE.
WAKE UP, you darn fool.
WHY, THAT "Satisfy" blend.
SIMPLY CAN'T be copied."

THAT'S a fact—the "Satisfy" blend can't be copied. It's our own secret—putting those good tobaccos together in a way that gives you every last ounce of their fragrance. You'll smack your lips over Chesterfields. And remember—you can't get "Satisfy" anywhere else.

Air-Tight Tins of 50
Ask your dealer to show you the new vacuum-sealed tins of 50 Chesterfields. A compact, convenient and absolutely AIR-TIGHT packing—the cigarettes keep fresh indefinitely.
